Dear

Players, Coaches, and Parents,

2021 will mark our **32nd** year offering our summer basketball league to the youth of Ohio, Kentucky, and West Virginia. Over the past 30 years there have been over 18,000 Participants; We estimate we have played over 20,000 games over the course of these years!

We are proud to offer the area youth a competitive basketball league that is focused toward the enjoyment of playing ball. This has always been our goal. A child must first develop a passion and love for the game before there can be improvement.

We would like to personally invite you to attend our 2021 Basketball League. We are looking forward to another great summer!
